WELCOME TO THE AUSTRALIAN CAT FEDERATION

NATIONAL CHAMPIONSHIP SHOW 2015

PERTH WESTERN AUSTRALIA

CatsWA is very proud to be hosting the 43rd Australian Cat Federation Show over two days on 6-7 June. We welcome exhibitors from every State and thank you for supporting our venture into eight rings over the two day show.

We could not have hosted this show without the generous support of our major sponsors Proplan (4 Rings) and Oz Pet (2 Rings). Once again they have provided a wonderful array of prizes for our winners. We are also fortunate to have sponsorship from a local company Pet Goe who produce a cleaner that eradicates pet odours. Vets All Natural is sponsoring the final ring with a range of their products. All our sponsors are highlighted in the catalogue and we hope you support these generous businesses.

This year we have judges from the UK, Europe, USA and New Zealand as well as experienced judges from interstate and of course our wonderful local judges. Our judges will be supported by a team of scribes and stewards from all states.

This year we have a new and exciting rosette system with every exhibit receiving a display rosette to take home as a memento. Cats who win placings in their sections will receive an engraved tag to be displayed on the centre ribbon. By the end of the show many cats will have a row of place tags to display and importantly every exhibit has a rosette to commemorate their entry in this National Show.

You will experience a new level of streamlined technology at this show. Already you have been able to enter online. The show results will be entered directly and over the weekend you will be able to check on the progress and results of your own exhibits as well as the overall results on your phone or tablet. This is an exciting feature for this show and we must sincerely thank Damien Heasman who has spent countless hours developing this complete show program over several years. Pamela Lanigan is our Show Secretary and she and Damien have made this show something special with their innovations.

Over the last 18 months we have had a wonderful team planning this show. In particular I must thank Janis Thompson who has cooked several thousand sausages and also organised raffles, dinner dances and a wonderful high tea to raise funds. Janis has a small team who work tirelessly and I thank them sincerely.

Please enjoy the show and good luck to everyone competing over the next two days.

Judges Profiles

Adriana Kajon - TICA

Adriana Kajon was born in Buenos Aires, Argentina where she grew up and received her early education. She has an undergraduate degree in Biochemistry from the University of Buenos Aires, and two Ph.D. degrees in Virology, the last of which she obtained in Sweden in 1993. She is currently doing research in viral pathogenesis at Lovelace Respiratory Research Institute in Albuquerque, New Mexico. She is presently breeding Singapuras under the cattery prefix Truecolours.

Although cats had always been part of her life, Adriana started participating actively in the Argentine cat fancy in 1981 after several years of breeding and showing Doberman Pinchers, including the first Doberman ever to go Best In Show in Argentina. Over the years she has served as a member of the Argentine Feline Association's (AFA) Board of Directors, as editor of AFA's monthly Bulletin, and as Vice President of the Siamese Cat Club.

The results of her pioneering work with the Cornish Rex breed are still evident today in South America.

In 1988 Adriana became an All-Breeds Judge for Federation Internationale Feline (FIFe). In 1991 Adriana joined TICA, entering the Judging program in 1992. Adriana is currently a TICA Approved Allbreed Judge, Ring Training Instructor, Judging School Instructor, Licensed Genetics Instructor, and a member of TICA's Genetics Committee. Adriana was voted by members for the honor of TICA's Judge of the Year in 2013.

Bronwyn Main - NZCF

My name is Bronwyn Main and I am a senior shorthair judge with the NZCF and look forward to joining you for my first Australian Judging assignment, and I am also a first time visitor to Perth.

I share my life with 3 Burmese cats, and this means life is never dull and always interesting. I enjoy cat shows both judging, organising and participating in them as it is a great opportunity to meet new people and stunning new cats. It is a hobby that is rewarding, great fun and pure enjoyment, as at the end of the day - everyone takes home the best cat.

Other hobbies and interests include antiques, gardening, fashion, design, sheep/beef farming; as well as being actively involved in fundraising for community based organisations. In my work life I am a full time business development specialist in the lighting industry.

Chris Lowe - NZCF

I fell in love with Blue Persians at a young age and it was not long before I wanted to get involved in the breeding of these beautiful cats, and I was lucky enough to be mentored by Joyce Peace (Lynndell Cattery). Now breeding Exotics & Persians predominantly Bi-colours with well established lines which have brought some wonderful show moments for me and my daughter, including Best in Show at a number of National Shows.

NZCF Roles: All Breeds Tutor Judge, Executive Council Secretary, World Cat Congress Delegate

In 2010 I was honoured to receive Life Membership of the NZCF and I am currently President of Patches & Pointed Inc (an all breeds club specialising in broken coloured cats) pleased to say that this is a very successful and innovative club (first to hold a dinner show – a concept that other clubs are now working with).

In 1979 I entered NZCF Judges Training Programme and qualified as Longhair Judge in 1981 extending my license to all breeds in 1989. I went onto breed Siamese & Orientals – at that time you had to actually breed in the division that you were seeking a judge's licence in. A short time after qualifying this requirement was removed. I however have never regretted the involvement in another breed and as you can imagine the difference between a Persian & Siamese was rather diverse to say the least with Siamese & oriental babies opening their eyes at 4 days and clambering out of their nest box by the time they were 7 days old compared to the rather sluggish Persian who would rather remain as long as possible in the security of the box and mum of course.

I thoroughly enjoy the judging scene, the forward thinking of exhibitors working with improvement of lines and of course the interaction with exhibitors and cat lovers from all walks of life. I have judged in most Australian States, The Netherlands, South Africa, United Kingdom and TICA in the USA in 2014.

Betty Payne - ACF

My interest in pedigreed cats started in the early 1970's with my first Siamese Seal Point kitten named Diablo. I began breeding under the prefix PYRET, and progressed to becoming an Allbreeds and Tutor Judge. I have also bred Burmese and Abyssinians, Devon Rex and Russians. I still breed Russians, Blue and Black, and Devon Rex.

Jo Millar - NZCF

I first began showing with the New Zealand Cat Fancy a Seal Tortie Point Siamese in 1978. In 1985 I began breeding Siamese and Orientals under the Ramaltal Prefix and Burmese in 1989. For the past 17 years I have been breeding British Shorthairs and Scottish Folds under the successful prefix of Intrigue. I have actively promoted the delightful Scottish Fold throughout NZ and was fortunate enough to breed New Zealand first Gold Double Grand Champion Scottish Fold, "Gld Dbl Gr Ch Intrigue Immortal Memory". Eight years ago my father died after a long battle with cancer and I joined my mother's prefix of Kirov and am now assisting her in breeding the beautiful Russian Blue. In 2008 I was fortunate enough to have bred and exhibited New Zealand's Best other Shorthair Entire Cat, a British Blue male, Gld Dbl Gr Ch Intrigue Sir Larfalot.

I have been on the Judges panel since 1989 and am an All Breeds Judge for the NZ Cat Fancy Inc. and have consistently accepted appointments Nationally as well as completing assignments in NSW, Queensland, Canberra, Victoria, Adelaide and Tasmania.

I believe it is important to produce a professional result, which contributes to the shows success and enjoyment by exhibitors and spectators. Shows should be fun: entertaining, educational and interesting. I thrive on the professional challenge of judging the wide variety of cats on the show bench and it is a privilege to judge and enjoy the beautiful cats entrusted to me on show day. My aim when judging is to give an honest educated appraisal, and to be fair and consistent with all exhibits, and above all else to enjoy myself.

John Hansson - GCCF

I have the distinction to be one of only 2 ALL Breed Judges within GCCF & I am very proud to be the first ever male to achieve this status. I have also been an Independent Judge since 1983 which qualified me to judge in many European Organisations. As a breeder I was very successful in breeding both Siamese & Orientals & was instrumental in introducing, what were at the time were new colours & patterns particularly Orientals in Smoke & Shaded, with my PANNADULO prefix

I bred the first GCCF Grand Champion Seal Tortie Point Siamese, which is behind many on the winning lines of Siamese & Orientals both in the UK & rest of Europe. I bred what is still the youngest ever GCCF Supreme Grand Champion & first UK Grand Premier male Siamese. I also bred Cornish Rex.

I am a former Chairman of GCCF, also Disciplinary Committee member for a number of years excluding those when I served as Chair. I am currently member of the board, with delegated responsibility for reviewing both the Judge Appointment & also Showing Systems. I also chair the Joint Rex Breed Advisory Committee & also the Asian BAC, as well as being a breed representative for both Siamese & Oriental Breed Advisory Committees.

Lone Lund - FIFe

I have been breeding for 30 years now and I still like the British cat which was my first pedigree cat, followed by Scottish Fold in 1999 and Selkirk Rex in 2009. My view and expectations has not changed over the years. I still find it important to see which breed it is that I am judging, but also to see where the breeders are going, since cat breeding for me is art, it takes talent, patience, knowledge to be a breeder, and breeding is the foundation for the Judging.

The judging for me is a very demanding hobby. I am spending a lot of time trying to be updated on all the breeds I judge. Last year I had 15 years judging anniversary which was a mark I couldn't picture after my first examination and now I am wondering if I will make it to 25, smiling.

Some breeders in some breeds are more innovative than others but I take this as a challenge. I also expect to learn something at each and every show I attend since the Judging system in FIFè is built around the dialog between the judge and the exhibitor/breeder. I have in my time as a member in FIFè served twice as a board member with different positions so arranging and doing the show I can say I do know.

As a breeder, and British is classified as a colour breed here in FIFè, 20 p. for colour and pattern, I have very early been "forced" to know my colours, how they behave genetically and which influence they different genes has on each other. I started 1st blue, 2nd White, 3rd bicolors then I have been involved in introducing colourpoint british to FIFè, and herewith also the chocolate, lilac, cinnamon and fawn colours, with/without white and agouti. At the moment I am going a back to my roots, since I have imported a blue cream lady and now this year, 2014, a blue boy. I am working with a very good breeder friend in Sweden, we are working with black golden blotched tabby, why do easy when it is possibly to do difficult.

I am also involved in the recognition of the Selkirk Rex in FIFè and from January the 1st 2015 we have gained preliminary status. After the year change we have to show 40 individuals' tree times each, obtaining min. EX., and produce 15 litters for documentation of health issues etc., so we will be very busy with this next year.

I share my life at the moment with five British, three Selkirk Rex longhair, one dog, Miniature Pincher red and my adult son of 26 years.

Margaret Bush - ACF

Breed interests: Persian, Exotic, Devon Rex and Burmese. From 1989 to 1992 completed training in all shorthairs. Positions held with FCCWA (now CatsWA) include secretary, treasurer, convenor of the judges tutor panel, convenor of the experimental breeding panel. Currently breeding group two cats under the Malingbu prefix.

Marylou Anderson - TICA

I am a retired nurse practitioner who has worked in many areas of nursing: orthopaedics, intensive care, post-anaesthesia and eventually as a legal consultant to a law firm specializing in representation of physicians in medical liability cases.

I started in cats at the age of 5 with an apple-head Siamese who lived to be 19. Once through schooling and settled on my own, I purchased 2 more Siamese. When I married, since my husband grew up in Ethiopia, a child of medical missionaries, he suggested adding the Abyssinian to our lives due to the romantic history associated between country and cat. It was love immediately. We had pet Abys at first and then I found my first breeding female in 1986 which led to many wonderful experiences breeding and showing in The International Cat Association (TICA). A senior AB judge who was my breeding partner and mentor, encouraged me to move toward judge training and I became licensed as a Specialty judge in 2001, advancing to AllBreed in 2005. In 2009 I was appointed Judging Administrator for TICA. Currently I have 2 Abys and a Siamese I inherited from my father. I love the cat fancy for its camaraderie and sharing of cat-related ideas and knowledge, all for the benefit of our beloved felines and their health.

Outside of the cat fancy, my main hobbies include quilting and golfing. My husband and I will be celebrating our 40th wedding anniversary just before your show. We have two grown children and two grandchildren.

Vickie Shields - TICA

Vickie Shields is a TICA licensed Approved Allbreed judge, and Ring Training and Judging School Instructor.

She bred Maine Coons for over twenty years, and has also worked with Oriental Shorthairs, American Wirehairs, Tonkinese, and now for the past ten years with Singapuras. She has bred and shown many international award winners since 1979, and also been honored as TICA's Member of the Year.

She has served as TICA's Clerking Administrator, International Committee member, Judges Review Committee member, Maine Coon breed newsletter Editor, and she was a founding member of The French Connection based in Paris, France, which for several years was TICA's largest and most active club. Vickie is the co-creator of ICAT, the International Cat Agility Tournaments - because it is fun for the cats, and for owner, and because cats are so

intelligent, trainable, and beautiful in motion.

Her education includes certificates in Computer Science, Herpetology, and Aquatic Biology. In her early years, she trained Labrador Retrievers for obedience and field trials. Born and raised in San Francisco, California, Vickie lives now in Albuquerque, New Mexico, and her Singapuras harmonize with the colors of the southwestern desert.

Martti Peltonen - FIFe

I have been breeding Oriental Shorthairs and Siamese with my prefix S*Miniroyal's since 1992 and during the years I have been lucky to see some pretty cats being born at home. A few of my kittens have been exported, and that is why I am very pleased to see my Miniroyal's prefix in the pedigrees of top winning cats almost all over the World.

Judge's education:

- * 2000 International FIFe Judge in category 4 (Oriental cats)
- * 2003 International FIFe Judge in category 3 (Shorthairs)
- * 2010 International FIFe Judge in category 2 (Semilonghairs)

I have been the Chairperson of SVERAK's (the Swedish FIFe member) Breeding and Registration Committee and a member of SVERAK Board. In addition, have also been a member of FIFe International Judges' Committee.

Since 2003 I have been honoured to judge in hundreds of shows in all Scandinavian countries including Iceland, as well as in Austria, Czech Republic, Estonia, Finland, France, Germany, Hungary, Italy, Latvia, the Netherlands, Poland, Portugal, Russia, Slovakia, Slovenia, UK, and Switzerland - and I have also been privileged to be a guest judge in GCCF in UK and in SACC in South Africa. I have judged the prestigious Scandinavian Winner Show several times during the years. In 2013 I was thrilled to judge at the FIFe World Show in Denmark and I am looking forward to judge at the FIFe World Show this year too in Prague in Czech Republic.

I think friendly and beautiful and well-presented cats are the most beautiful creatures on this Earth - together with my two top show Afghan Hounds - and I am always looking forward to meet fantastic cats and their proud owners all over the World.

Fiona Hawkins - ACF

Fiona's introduction to the cat world was with a rescued Domestic kitten, which at 10 days old needed a helping hand and a lot of care. Mignon was joined a year later by a handsome white Russian boy in 1995. Odessa White Knight (Kimba) was her introduction to showing cats. Since then Fiona has been involved with many facets of showing cats. Fiona became a steward a couple of years later and then completed the GCCFSA Group 3/4 Judges course, currently working towards completing the Group 1 and 2 Judges Courses. Fiona enjoys the experiences that judging provides and seeing so many beautiful cats.

Fiona started breeding Russians in 2000 under the prefix of 'Myenya' with a lovely Odessa female and has gone on to have many successful exhibits on the show bench. Fiona has been involved with the Foreign Shorthair Cat Club and the Governing Council of the Cat Fancy of SA for many years. I am currently an Executive member of the Foreign Shorthair Cat Club of SA and delegate to GCCFSA.

Jane Horstman - ACF

- * 1980 - Qualified to judge Persian & Semi Longhair, now Group 1
- * 1985 - Qualified as International Judge with FIFe for Persian & Semi Longhair
- * 1991 - Qualified to judge Other Foreign Shorthairs (part of group 3) for COAWA
- * 2011 - OFHS now accepted by FCC & I qualified to judge this part of Group 3 for FCC

I have judged Group 1 around Australia, in several European countries, New Zealand and America. I have been a member of ACF Judges' Guild since inception.

Judy Lewis - ACF

I have been a member of the Cat Fancy for 40 years gaining my All Breed Judges licence of many years with New South Wales CFA Inc. formally RAS Cat Control. During my time in the cat fancy I have been involved in all executive positions within Club management, Tutor Judge and Co-Ordinator of Judging and Stewarding courses, along with the pleasure of holding Life Memberships and Patron to a number of clubs.

In 2001 I decided to move from N.S.W. to the Gold Coast, Queensland to retire, relax and enjoy myself in this beautiful tropical, coastal part of the world. I have held the position of Secretary for QFA Inc.; I currently represent the Cairns Cat Club as their Delegate to Queensland Feline Association Inc. Council an ACF (Inc.) affiliate.

My first cats were Siamese and Persian and then with a friend in 1967 imported the first Birmans into Australia where we developed and promoted the popularity they enjoy today. In the past few years I have taken on the challenge of owning and breeding the Gentle Giant Maine Coons.

During my Judges training years I owned and bred some delightful breeds of cats, which gave me a greater understanding of these breeds. It is my greatest pleasure to be invited around Australia and overseas to handle exhibitor's precious felines in the Judging ring, along with the treasured friendships that have been made. The world is becoming a smaller place and Cat Fancies all over the world are working towards better management with cats, along with great strides in the health matters of many breeds. I am happy to be part of this future.

Liz Andresen - ACF

I started showing Siamese in 1971 in Adelaide. In 1979 I moved to Alice Springs and was heavily involved with the Central Australian Cat Club.

In 1983 I commenced my training in Group 2 and then Group 3 & in 1989 as All Shorthair, in 2000 some 16 years later I qualified as an All Breeds Judge. I have judged in many states of Australia. My first overseas assignment was in Malaysia and then New Zealand. I have over the years bred British Shorthairs, Devon Rex, Abyssinians, Siamese and Burmese under the Cleveland Prefix. This year we take a break from the Siamese and my husband & I are concentrating on the loveable but cheeky Burmese. I held the position of the A.C.F. Judges Guild treasurer from 1991 until 2005. I am a life member of the Cat Association of the Northern Territory, a committee member

holding the position of Prefix Recorder I am also a member of the tutor Panel.

Scott (Scoot) Andresen - ACF

Known widely as 'Scoot', I grew up in the far north of New Zealand, and always had a passion for animals, cats in particular. I moved to Alice Springs in 1990 and became involved in the cat fancy when I met my wife Liz, who bred Siamese at the time.

Eventually I commenced training in Group 3, joining the ACF panel in 2005, and extended to All Short Hair in 2009. In 2013 completed my Group One training and became All Breeds in 2014. I have had the pleasure of judging in all states of Australia and look forward to judging in New Zealand in 2015.

Today we enjoy breeding a small number of Burmese, under the Cleveland prefix.

Sue Game - ACF

Sue has been judging since 1993 (All Breeds since 2004) and has judged in most Australian states and overseas in Kuala Lumpur, New Zealand and South Africa. She judged at the Sydney Royal Show in 2011 and Adelaide Royal Show in 2008 and is pleased to judge as often as possible in WA.

She is active in the administration of the cat fancy, having been a member of FCCWA Governing Council since 2011. She is also a Tutor Judge and Secretary of the Oriental Shorthair Cat Club and has been organising shows for the FCCWA and OSCC.

Sue has been breeding Siamese and Oriental Cats for over 30 years under the Prefix "Chicas" and very much enjoys showing her cats.
