ANNUAL GENERAL MEETING

The CatsWA AGM will be held on Monday 11 January 2016.

Time: 7.00pm

Venue: CatsWA Office, Unit 3, 8 Royal Street, Kenwick

Notice of business for discussion must be lodged in writing with the Secretary or a duly appointed deputy not less than 21 days prior to the date of the annual general meeting and shall be placed on the agenda for the meeting. The last date for items to be added to the agenda is **21 December 2015**.

The current terms for Governing Council members are as follows:

Maree Carle	Casual Term finishes end 2015
Judy Kluczniak	Casual Term finishes end 2015
Michelle Harris	Casual Term finishes end 2015
Carole Galli	Term finishes end 2015
Linda Horton	Term finishes end 2016
Sue Game	Term Finishes end 2018
Lucy Nikiforos	Term Finishes end 2018
Janis Thompson	Term Finishes end 2018

CatsWA are seeking nominations for 4 Council members who have terms ending in 2015.

Governing Council provides leadership and ensures that the organisation continues to function. Being a member of Governing Council gives you the opportunity to work with other enthusiastic, committed people who share your love of cats. In a changing environment of Cat Laws and Regulations, there is a real opportunity to make a difference.

We are looking for 4 people who are prepared to commit themselves to a variety of tasks and are available to attend Governing Council Meetings once a month on Monday nights. Governing Councillors are involved in a variety of things and you could be invited to participate in any of the following:

- Running Cat Shows
- Reviewing policies
- Administration including attending the office
- Contributing to Cat Call
- Fundraising

Most Councillors would be expected to participate in at least one of the above, or other tasks that arise from time to time. Obviously as a volunteer, you would only be asked to do things within your capacity, but it is important that all Council members agree to participate.

Nomination forms are available on the CatsWA website at <http://www.fcc-wa.com/>

Nominations must be received at the CatsWA office by **1 November** so that they can be included in the November Cat Call for election. If 4 or less nominations are received, direct appointment may apply.

JUDGE'S GUILD SEMINARS

The Judge's Guild Seminars were held on Monday 8th June 2015 and we were very lucky to have some wonderful speakers who were happy to share their knowledge with us. Here are just a few notes from two of the talks. These points are by no means all that were covered.

Vicki Shields (TICA): Feline structural faults and judging

Vickie started by providing some definitions:

- Hocks – are effectively the heels/ankles of an animal.
- Plantigrade animals include humans and bears who walk on the whole of the sole of their foot.
- Other animals such as cats walk on their toes. This helps to increase speed.

Cow Hocks are a misalignment of the back leg joints. Toes point out and hocks point in.

This gives the cat poor thrust, poor stability and reduced lateral strength.

It is important to remember that cats have evolved as both predator and prey. They are designed to not only hunt, but to evade being hunted and so they need agility and flexibility.

Breeders should consider the following when breeding (in order of priority):

- Health
- Temperament
- Breed Type
- Colour

Judges play an important role as "Quality Control" in ensuring that cats continue to be bred to be healthy and capable of doing the things that cats should be doing.

(Dr) Adriana Kajon (TICA): genetics – Basic concepts on the biology and genetics of cat colour and pattern in the domestic cat.

- Colouration – is the arrangement of colours and tones in a cat.
- Colour – is what our eyes see that results from light reflecting off things.
- Melanocytes – make pigments

Pigment producing cells are important to animals because they provide protection from UV and are important for hearing.

There are 2 types of pigments that are responsible for colour in mammals:

- * Eumelanin (black/brown)
- * Pheomelanin (yellow/reddish)

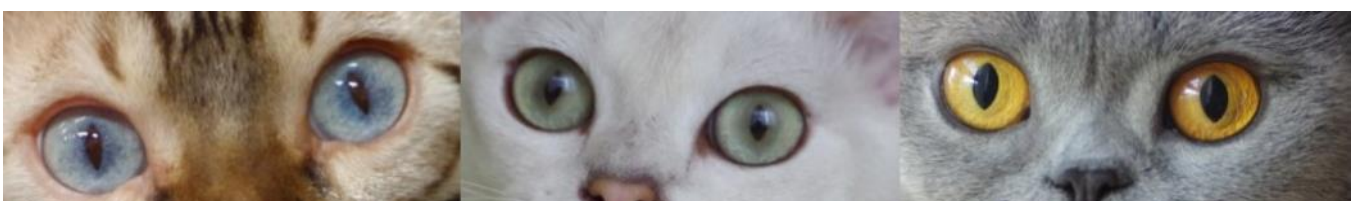

Pigment granules are different shapes.

Hair is an empty tube and the granules of pigment fill the hair shaft. When the hair shaft is packed tightly, our eyes see it differently to when the hair shaft is packed loosely. More or less gaps in the pigment makes a difference, which means the same granules will give a difference appearance. The dilute modifier gene modifies the packing of the pigment in the hair shaft.

Multiple genes modify the amount of pigment in the hair shaft and whether it is laid down in alternating light and dark bands along the shaft or as a solid band.

CAT OF THE YEAR

The 2015 Cat of the Year event will be held at 12.00noon at Penny Garden Restaurant in the beautiful Swan Valley. This will be a lunch and you will be able to order directly off the menu and there will be separate billing at the end. You can pay for you own drinks along the way.

<http://www.pennygardenrestaurant.com.au/>

Tickets are \$10, and are payable by direct deposit to the CatsWA account BSB 036-224 Acct 298699. Please use the reference COTY and your name and then send a copy of the receipt to Linda Horton on

lindiloooh@inet.net.au

The \$10 will be returned to you at the lunch, but is non-refundable if you don't attend due to a function charge payable if people don't turn up.

Come along for a fun, friendly catch up before the end of the year and find out which cats end up taking out the Cat of the Year awards. Bring your friends and family!

TRAINING OPPORTUNITIES

Stewards Training

If you would like to become a steward, please contact the office on fcc_wa@bigpond.net.au as more training will be scheduled in the coming months.

Group 4 Judges Training

Expressions of interest in training to be a Group 4 judge are now being taken. Please email the office on fcc_wa@bigpond.net.au or contact Carole Galli on admin@roellencattery.com.au if you would like to know more.

Vacancies

CatsWA needs enthusiastic and willing people for the following positions:

Office Helper

CatsWA is seeking someone who is willing to assist in the office for a few hours each Wednesday. General office duties including answering the phone, emails, memberships and titles.

Cat Call Editor

Cat Call is published in February, May, August and November and a new editor is needed to take on this role in 2016.

Currently Cat Call is done in Publisher, but other methods may be considered. The editor will be responsible for collecting information from shows and governing council as well as sourcing referenced articles and pictures that would be of interest to our members. Assistance will be available from the outgoing editor.

Please contact the Office if you would like more information about either of the above positions.

Ship's cats

Cats do not have a natural or important place in mankind's wars in the same way as dogs, horses and some other animals do, since (as cat owners will know!) it is very difficult to get a cat to do what you want. There were stories that the Americans tried to use cats during the Vietnam war, but they were too easily distracted and either started playing or disappeared into the jungle! However, these tales are apocryphal. During the nineteenth century it is said that the Belgians tried using cats to deliver letters, but with a marked lack of success.

There is one function that cats have fulfilled since time immemorial, though, and that is as ship's cats, where they kept the vessel's stores free from rodents and also acted as mascots and companions to the crew. They were especially important in wartime, when supplies could be short, and men were far from home for extended periods and welcomed feline companionship. Sadly, since 1975 the British Royal Navy has banned cats, and indeed all animals, from its ships. It's a far cry from the days of Louis XIV's French Navy in the seventeenth and early eighteenth centuries, when it is reported that all French ships were ordered to carry two cats for rodent-control duties.

Perth Pet Expo 2015 will be held on Saturday 7th and Sunday 8th November at Claremont Showground in the Robinson Pavilion.

CatsWA have organised a stand and it will be a great opportunity for members to participate in the event and promote their breed.

Contact Sue Game on ssgame@inet.net.au for more information.

ACF MATTERS

As many of you may know, Nell Evans has retired after many years of service as ACF secretary. CatsWA wishes her well in her retirement.

Congratulations to Carole Galli who accepted the nomination to be the new ACF Secretary. A huge role, but we know that Carole will do a great job.

You know those little red cards that you collect at shows? Well they are issued to the best male, female, neuter and spay in each section and you can use them to apply for an ACF award. Details on the ACF website.

Code of Conduct for all members

Did you know that CatsWA has a code of conduct? A code of conduct is really important because it acts as a guide and reference for all members. It helps to clarify CatsWA's values and principles and is a visible statement to the rest of the world what we stand for. Anyone who deals with CatsWA can look at our Code of Conduct and they will get a sense of who we are and what is important to us. Our Code of Conduct incorporates the standard of ethics that our breeders abide by and provides a reference point for Governing Council when they are dealing with any situations that may arise.

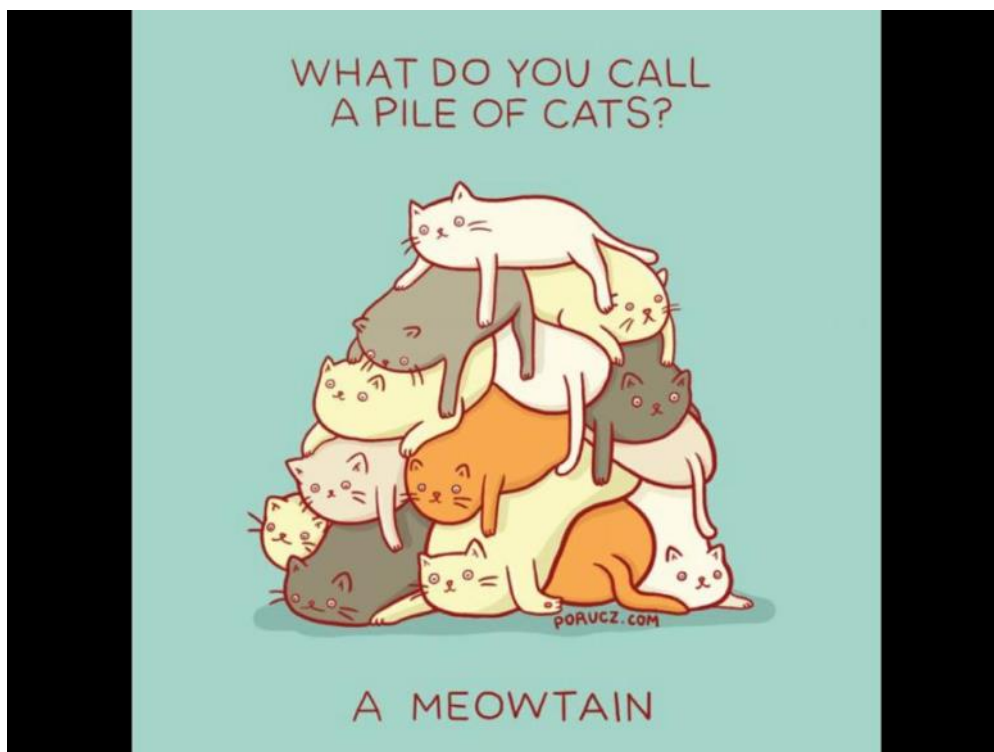

1 Purpose of the Code of Conduct

- 1.1 To provide members of the Feline Control Council WA (Inc) with a framework for appropriate conduct. This includes behaviour towards other FCCWA members, judges, general community members and cats.
- 1.2 The core principles that underpin the organisation must be the welfare of all cats that fall within the scope of FCCWA and the protection of the integrity of FCCWA pedigrees
- 1.3 Incorporated in this Code of Conduct is a Code of Ethics for all members who wish to be recognised as Registered Breeders. All FCCWA Registered breeders must agree to uphold and respect this Code of Ethics in their actions and dealings within the Cat Fancy.

2 General Principles of Conduct

General principles to guide the behaviour of FCCWA members include that all members must:

- a) Act with reasonable care and diligence
- b) Act with honesty and integrity
- c) Act lawfully
- d) Avoid damage to the reputation of the FCCWA (Inc)
- e) Treat others with respect and fairness.
- f) Abide by any rules, regulations or guidelines as determined by FCCWA (Inc) including Breeding, Showing, membership of Governing Council or any other activity. Such regulations will be available on the FCCWA website.
- g) Comply with the WA Cat Act (2011) and any other relevant legislation.

Looking for ways to get involved?

Why not join one of the clubs? FCCWA has several clubs, which are a great way to get to know people. Clubs run the shows and are always happy for people to come along and learn how a show works.

CatsWA Breeders Directory 2015

CatsWA Registered breeders, please note:

If you would like to advertise in the Breeders Directory, please contact the CatsWA Office with your details. The cost for inclusion in the four issues of Catcall during the year is \$15.00 per entry. Alterations and updates that occur during the year are accepted at no extra cost. If you do not appear in this list and you think you should, please contact CatsWA Office. Only breeders who have registered kittens in the last 12 months will be listed. If you have had a break in breeding but are planning to resume, please contact the office to have your listing reinstated. fcc_wa@bigpond.net.au

<p>Did you know? Cats have over 20 muscles that control their ears! A group of cats is called a Clowder</p>		<p>Did you know? There is a cat in Alaska that is mayor of his small town. Stubbs has been the mayor of Talkeetna for 18 years. He retired briefly, but is back after recovering from an assassination attempt (dog attack). You can find him on Facebook under Stubbs Mayor Cat</p>
